Size: 90x128mm

Important Safety Instructions

- Please note there are no user serviceable parts in this unit.
- Do not remove the cover or back for any reason. Refer all servicing to qualified Grundig Service agent.
- Do not expose the unit to rain or moisture, to prevent fire or electric shock hazards.
- Do not expose the unit to any liquid or water (dripping or splashing) and no objects filled with water, such as vases, should be placed on the unit.
- Keep the product away from direct sunlight and any heat sources such as radiators or stoves.
- Do not block any of the ventilation openings. The openings on the unit are provided for ventilation. The openings should never be blocked by placing your product on a cushion, sofa or other similar surface.
- Do not place the product on an unstable cart, stand, tripod, bracket or table. The unit may fall, resulting in possible damage or injury.
- Only use the AC adapter included with product. Using any other adapter will void your warranty.
- Unplug the power from the outlet when the unit is not in use.
- Only use attachments/accessories specified/provided by the manufacturer.

▲ The symbol indicates that dangerous voltages constituting a risk of electric shock are present within this unit.

▲ The symbol indicates that there are important operating and maintenance instructions in the literature accompanying this unit.

□ This symbol indicates that this product incorporates double insulation between hazardous mains voltage and user accessible parts. When servicing use only identical replacement parts.

☒ This marking indicates that this product should not be disposed with other household wastes. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. Contact your retailer where the product was purchased.

Introduction

Thank you for buying this Bush product, which is designed to give you many years of trouble-free service.

You may already be familiar with using a similar unit, but please take time to read these instructions. They are designed to familiarise you with the unit's many features and to ensure you get the very best from your purchase.

Safety is important

Your safety and the safety of others is important. Please therefore, ensure you read the "Safety Instructions" before you operate this unit.

Warranty

In the unlikely event that your product fails to work normally, please call the below Bush warranty number for support.

Bush Warranty: 1300 055 518

Installing the Batteries

Remove the battery cover from the Remote Control and put 2xAAA size batteries inside the compartment.

The diagram inside the Battery Compartment shows the correct way to install the batteries.

Using the Remote Control

To use the Remote Control, point it towards the front of the Digital Set Top Box. The Remote Control has a range of up to 7 metres from the Set Top Box at an angle of up to 60 degrees.

The Remote Control will not operate if its path is blocked.

Sunlight or very bright light will decrease the sensitivity of the Remote Control.

Connections

Caution: Make sure to check the voltage specification of the wall outlet is the same rating with the receiver. To prevent the risk of electric shock, do not open the cover or the back of the receiver.

Note: 1. When connecting the receiver to other equipment, e.g., TV, VCR and amplifier, make sure to refer to relevant user manual for instruction. Also, make sure you disconnect all the equipments from the mains supply before the connection.

First Time Installation

After all connections have been made properly and power is connected, switch on the TV and the SetTop Box. When using the receiver for the first time or after you have conducted a restore to Factory Default the Installation Guide will appear on your TV screen.

- (1) Select [OSD Language] and press the RIGHT/LEFT Navigate Buttons to select your desired language
- (2) Select [Country] and press the RIGHT/LEFT Navigate Buttons to select Australia
- (3) Select [Channel Search] and press the RIGHT or OK Button confirm and begin the automatic channel search
- (4) Once the automatic channel search is complete, the first channel in the list will appear on screen and you can now watch TV.

Basic Operation

Program Settings

To access the Main Menu, press the MENU Button and then select [Program] to adjust the program settings. Press the OK or RIGHT to confirm any adjustments. Press the EXIT button to exit the Menu.

Program Edit

In the Program Menu, you can edit the program settings. To edit your program preferences (lock, skip, favourite, move or delete), you will need to enter the Program Edit Menu. This Menu requires a password to access. Enter the default password '000000'.

From the channel list shown in the Program Edit Menu you can select and edit channels by following the below operations:

- Press the RED Button to move a highlighted channel
- Press the GREEN Button to skip a highlighted channel
- Press the YELLOW Button to lock a highlighted channel
- Press the BLUE Button to delete a highlighted channel
- Press the FAV Button to select and add a channel to your favourite list. You can set your favourite shows to four different favourites lists - Movies, Music, News and Sports.

Setting Favourite Programs

The Favourite function in the Program Edit Menu allows you to create four shortlists of favourite programs that you can easily access.

To set a TV program or radio station to your favourites list, please follow the below:

1. Press the Menu Button and use the Navigation Button to highlight the 'Program Edit' option and press [OK].
2. Press the Navigation Buttons to select and highlight the channel you want to add and then press the Fav Button to add to favourites. Use the Navigation Buttons to select the favourite list (Movie, Music, News & Sports) you wish the program to be saved to and press the OK Button to confirm.

Viewing Favourite Program

1. Press the Favourite Button and the Favourite Menu will appear.
2. Press the Up/Down Navigate Buttons to scroll through your Favourite Programs.
3. Press the OK Button to select and play your favourite program.

Deleting a TV or Radio Program

1. Press the Favourite Button and the Favourite Menu will appear.
2. Press the Up/Down Navigate Buttons to scroll through your Favourite Programs.
3. When you have found the program you wish to delete, press the Blue Button on your remote control and the program and heart-shaped symbol will be removed.
4. Press the OK Button to confirm.

Setting a TV or Radio Program to Skip

1. Tune your TV to the program you wish to skip and then press the Green Button on your remote control. A skip symbol will be displayed next to the program in the program list.
 2. Repeat step one to select and set more programs.
 3. To confirm and exit the menu, press the Exit Button
- If you have incorrectly set a program to skip, press the Green Button again and the selection will be disabled and the skip symbol will disappear.

Moving a TV or Radio Program

1. In your channel list select the program you wish to move and then press the Red Button on your remote control. A move symbol will appear next to the program.
2. Press the Up/Down Navigate Buttons to move the selected program.
3. Press OK to confirm.
4. Repeat the above steps to move more channels.

Locking a TV or Radio Program

As part of the parental lock function, you can lock a selected program to restrict it from being viewed by children. To lock a particular program follow the below steps:

1. Tune your TV to the program you wish to lock and then press the Yellow Button on your remote control. A lock-shaped symbol will be displayed next to the program in the program list and it is now locked.
2. Repeat step one to select and lock more programs.
3. To confirm and exit the menu, press the EXIT Button.
4. Press the Yellow Button again to disable the locked program.
5. To view a locked program, you will be required to enter either the default password '000000' or your last set password.

Warranty

Please keep your receipt as proof of purchase. This product is warranted for any defect in materials or workmanship for one year after the original date of purchase. This product is for normal domestic and office use only.

This warranty does not cover damage from misuse or neglect, accidental damage, vermin infestation, excessive voltages such as lightning or power surges or any alteration that affects the performance or reliability of the product.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

In the unlikely event that your product fails to work normally, please contact the Bush Warranty on **1300 055 518** and have your receipt of purchase on hand.

This guarantee is subject to the following provisions:

- It is only valid within boundaries of the country of purchase
- The product must be correctly assembled & operated in accordance with the instructions contained in the manual
- This product must be used solely for domestic purposes
- The guarantee does not cover accidental damage
- The guarantee will be rendered invalid if the product is resold or has been damaged by inexpert repair
- The manufacturer disclaims any liability for incidental or consequential damage

This guarantee is in addition to, & does not diminish, your statutory or legal rights.
